

Audio Master / CD Text Creation Form:

For Internal Use Only: Please Do Not Fill Out

PO/Job Ref #

Job ID#

Please complete this form below with your information. Once filled in, save to your computer using a reference name or number. After that please attach to an email and send it to you client service representative. Thank You.

NUMBER OF SECONDS BETWEEN TRACKS/SONGS DESIRED FOR ALBUM:

Album Title:

Artist Name:

Album UPC (13 Digits)

Genre Of Music:

ISRC CODES Note:

If you do not have a unique 12 character code for your songs/tracks, please leave fields blank. If you would like to register your songs, in Canada you may contact <http://www.connectmusic.ca/isrc.aspx> Outside of Canada, please refer to <http://www.usisrc.org>

CD Text Population Notes:

Please stick to simple basic English. For special character codes and symbols, please populate by using the "Alt + number code method". You must first lock the "Num Lock" button. Then hold down the left hand side "Alt" key and type in the code for your character using the number pad. For special character codes and symbols, please visit the following website: <http://www.tedmontgomery.com/tutorial/ALTchrc.html> Remember this is for a personal computer using a Windows Operational System.
